

We're Driven When It Comes to Your Trucking Business!

ACUITY KNOWS TRUCKERS

Acuity wants to insure your transportation business. We've been insuring all types of truckers for over 40 years! We provide extensive training, including truck driving classes, to our underwriters, loss control staff, and claims adjusters.

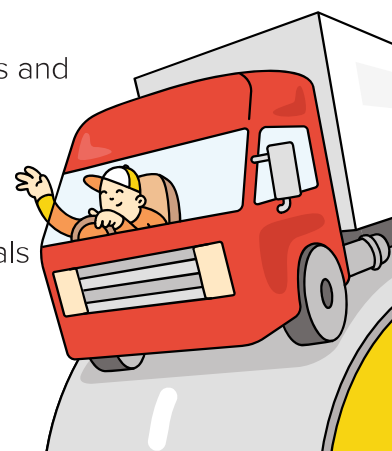

Acuity's Trucking Guru,
Cliff J.

We also have a Trucking Specialist on staff with over 30 years of experience in the trucking industry. He helps assist our customers, agents, and employees with trucking issues they may face in their daily operations. Really, he just wants to make life easier for you!

ACUITY OFFERS THE FOLLOWING TOOLS TO HELP YOU INCREASE COMPLIANCE AND LOWER YOUR COSTS:

- [Motor carrier toolbox](#)
- M.A.S.H., a 24/7 nurse hotline for workers with non-emergency injuries, that saves you money by reducing claims costs
- Real-time communication with claims adjusters, including the ability to review their notes
- Professional, trucking-experienced loss control representatives
- Federal and state filings for your operational needs
- Driver retention tips
- Access to safety posters and OSHA information
- Early return-to-work programs
- Access to safety materials and streaming videos

ACUITY HAS THE COVERAGES A TRUCKER NEEDS!

Commercial Auto Liability

Commercial Auto Physical Damage including:

- Loss of fuel
- Loss of owned miscellaneous equipment
- OEM electronic equipment
- Towing after a claim

Ask your agent about additional coverages, such as rental reimbursement, broad form electronic equipment, and miscellaneous equipment used with a non-owned trailer

REAL TRUCKERS ARE ACHIEVING TOTAL ACUITY

The biggest difference with Acuity is their people. They're industry experts who stick around for the long haul, constantly providing us with the industry knowledge and resources to succeed as a company—giving us more than just a cookie-cutter policy.

Acuity has consistently proven to us that they've got our back—allowing us peace of mind and the ability to focus on running and growing our business.
